

OPEN SEASON ON POTHOLES

Report those pesky potholes Seattle!

The Pothole Rangers fill approximately 40,000-60,000 potholes each year. Roughly 7,600 potholes a year are reported by the public.

Our goal is to fill potholes within 48 hours (two business days) after they are reported to SDOT. We filled 93.6% of reported potholes within two business days in 2007. (This does not include pavement defects that cannot be repaired as potholes.)

Here's your Pothole Hunting License. Leave it in your car and report those potholes as you see them. Together we can keep Seattle's roads smooth and safe.

City of Seattle Pothole Hunting License

Issued to: Seattle Citizens

Expiration Date: Good Year Round

No Limits Apply. Report As Many As You Can.

Mayor Greg Nickels

Call: 684-ROAD (7623)

The Pothole Rangers have a license to fill

Feel free to use the space above to jot down where you encounter potholes. Then report that information to us!

Together we can keep Seattle's roads smooth and safe.
